## **Policies**

### **Extra-Curricular Activities**

Extra curricular activities are promoted in the school. As a school we participate in competitions including sports, arts and quizzes.

Each class has an educational tour per year, which is organised by the teachers involved in consultation with the Principal. The school will ensure there is adequate supervision.

Parents/guardians are informed of the destination, itinerary, costing, clothing and food requirements in advance of tours.

Pupil's behaviour on tours and out of school events is expected to comply with the standard set down in the School's Code of Behaviour. Where it is felt that a child's conduct would pose a safety risk or inhibit the educational benefit for other children, the school may refuse the child permission to travel. Parents/guardians will be advised of this in advance.

Reviewed and approved by the Board of Management in June 2014.
